

VOLUNTEERS NEEDED!

BOYS & GIRLS CLUB
OF CYPRESS

The Boys & Girls Club of Cypress is looking for enthusiastic volunteers to serve as role models for our members.

Volunteers allow us to improve the quality of our programming and provide our members with additional mentoring opportunities. Volunteers have the opportunity to assist staff members, help with special events, and contribute their unique talents and interests to specialized programming and clubs. Volunteer for an hour or for an entire day, everything helps.

Come by the Club, or visit us online at BGCCypress.org, to fill out an application today!
